### Public Administration

#### Master of Public Administration (M.P.A.) in Public Administration

##### Admission

Students must be admitted to the SIU Graduate School as well as the M.P.A. program. This process begins with the submission of the “Application Materials” (see below). Once admitted, students will be provided with an advisor to guide them through the program.

Applications to the M.P.A. program are accepted year-round for each of the three main semesters officially recognized by the University. In addition, applications for admission to enroll starting in the second half of a given term will also be accepted but may be subject to deferral to the following term if appropriate courses will not be available to the applicant.

##### Application Deadlines

Application deadlines vary based on the student's academic history and citizenship status. In all cases, the deadline refers to when a complete application must be submitted. See the following section for all materials required for a complete application.

Domestic applicants whose latest academic work was with SIU Carbondale have a deadline of 10 business days prior to the start of the term in which they wish to begin.

All other domestic applicants have a deadline of 20 business days prior to the start of the intended entrance term.

For international applicants intending to study online from abroad, the deadline is 30 business days prior to the start of the term.

For international applicants intending to complete their program of study from within the United States on a student visa, the deadline is at least 50 business days prior to the start of the term. However, the applicant should allot additional time based on the specific processes necessary to obtain their visa.

Residential program applicants seeking an assistantship must apply no later than 6 months prior to the start of the semester.

Late applications will be considered when deemed possible by the respective program administrator(s). Alternatively, late applicants may seek a deferral of their application subject to the limits imposed by the Graduate School.

See the University's academic calendar and course schedules for information on when each semester begins.

##### Application Materials

1. **Graduate School application.** Applicants may find the application portal on Graduate School's website. The portal may be found here: <https://gradschool.siu.edu/apply/>.
2. **Transcripts.** Graduate School requires transcripts from all post-secondary institutions previously attended other than SIU Carbondale. If official transcripts have already been submitted in the process of applying for another program (such as previously applying for a baccalaureate degree program), please contact our office to determine if those transcripts would need to be sent again.

3. **Resume or CV.** At a minimum, applicants should include all full-time professional experience they earned after being awarded a bachelor's degree.
4. **Two references.** Contact information for two references should be included on the resume. At the discretion of the admissions committee, letters of recommendation may be also requested, but are typically not necessary.
5. **Personal Statement.** A personal statement must be provided which demonstrates the applicant's fit with the program, and vice versa.
6. **International applicants:**
  - a. Additional requirements for international students are outlined elsewhere in this catalog as well as online at <https://gradschool.siu.edu/apply/international.php>.
  - b. Note that financial disclosures and other materials that are only used for obtaining a student VISA are not required for those who will study from abroad. Please contact Graduate School ([gradschl@siu.edu](mailto:gradschl@siu.edu)) for more information.

## Admission Requirements

The M.P.A. in Public Administration program gives preference to students with undergraduate grade point averages of at least 2.7. Applicants with strong professional experience may be admitted with grade point averages below 2.7 in some cases. Admission decisions are made by the M.P.A. in Public Administration Director with the advice of the M.P.A. faculty for students who submit complete applications by the submission deadlines. Applications will be ranked for the purpose of final admissions decisions. The number of students admitted to the program for a given semester will be determined by program capacity and enrollment.

If the admissions committee recommends admission for an applicant despite academic deficiencies, the Graduate School will decide whether or not to directly admit that applicant. If Graduate School determines they are not qualified for direct admission, an applicant may instead seek non-declared graduate admissions until they establish a Graduate GPA of at least 3.0 across 9 credit hours. Upon completion, they may re-apply for admission to the program. Please note that non-declared students do not count as "Business" students for the purposes of applying policies such as those listed in the "Non-Business Graduate Students" section below.

## Degree Requirements

M.P.A. students complete a 36-credit hour program of study as follows: (1) eight required courses totaling 24 credit hours; (2) 12 credit hours of elective course work; and (3) the capstone course for three credit hours.
