Performing Ensembles

The strength of the SIU School of Music is the abundance of performing opportunities available to its students. There are vast performing opportunities for all Master of Music performers and composers, often working side by side with their mentors.

Ensembles include: Southern Illinois Symphony Orchestra, SIU Wind Ensemble and Symphonic Band, SIU Concert Choir, Chamber Choir, and Choral Union, SIU Jazz Ensemble, Marjorie Lawrence Opera Theater, SIU Guitar Ensemble, Southern Illinois Improvisation Unit, SIU Percussion Ensemble, SIU Flute Choir, SIU Clarinet Choir, and Marching Salukis. Other ensembles include: SIU Graduate String Quartet, Altgeld Chamber Players, Southern Illinois Jazztet, Southern Illinois Chamber Music Society, and New Chicago Chamber Orchestra. Throughout the year there are hundreds of concerts, recitals, operas, musicals, and emerging composer recitals.

Graduate students in residence must participate in an ensemble, as determined by their declared concentration/emphasis curricular guide and appropriate degree requirement checklist, every semester in residence. In addition, students may elect participation in other regularly scheduled ensembles.

School of Music Resources

The newly renovated Morris Library is a fully functional and impressively equipped research center.

The School of Music is a three building complex including Shryock Auditorium, the Old Baptist Foundation Recital Hall, and Altgeld Hall, a replica of King Ludwig's Bavarian castle! Facilities include:

- Rehearsal spaces for large ensembles, choral, jazz, music theater, and chamber music, which often serve as alternate performance spaces;
 - Practice rooms, including rooms for piano majors and three practice organs: a four-rank Ott tracker organ, a six-rank Moeller, and a four-rank Wicks;
 - Computer/Listening Lab – available for all music students;
 - Recording facilities for live concert recordings as well as professional studio recordings;
 - The Center for Experimental Music (CEM), a computer composition laboratory for all aspects of electro-acoustic music production, available for composition students.
- Also part of the School of Music complex of buildings are:
- Shryock Auditorium: the primary concert space for orchestra, opera, band, and choral concerts, located adjacent to the School of Music; it houses a fifty-eight rank Reuter pipe organ, the principal instrument for recitals and teaching, which is installed in Shryock Auditorium;
 - Old Baptist Foundation Recital Hall: a small chamber music space for more intimate recitals.

Application for Admission

Students interested in pursuing the Master of Music should apply for admission through the SIU [Graduate School application website](#).

The online application system includes a separate School of Music application. All applicants must complete both applications in order to be considered for graduate work at SIU. The music application is sent directly to the Director of Graduate Studies in Music:

Director of Graduate Studies in Music
School of Music
Altgeld Hall - Mail Code 4302
Southern Illinois University
1000 S Normal Ave
Carbondale, IL 62901

In addition to the application materials above, International students require additional documents including financial disclosure form, a photocopy of undergraduate diploma, and other materials for attaining a student VISA. Non-English speaking students must also submit a recent TOEFL score.

All forms are provided and explained on the Graduate School application website. Further clarification or additional questions regarding the entire application process may be answered by writing to: gradmus@siu.edu.

Auditioning Process

Each applicant must be assessed by members of the School of Music faculty in order to be accepted into his/her specific discipline. Performers must audition either in person or recording; composers should submit scores and recordings of their compositions; scholars should submit examples of their researched writing. More information can be found on the School of Music website: cola.siu.edu/music/.

In order to set up an audition, make contact with the specific faculty member in your area, as found on the School of Music website. You are also encouraged to contact that performer, composer, or scholar, as well as the Director of Graduate Studies in Music, at any time, before or during the application process, if you have area specific questions or concerns.

Assistantships, Fellowships, and Tuition Waivers

There are a number of opportunities for graduate students to receive financial assistance with their degree.

Students should apply for Master-level fellowships by sending the appropriate application (found on the SIU Graduate School website) and supporting documentation directly to the Director of Graduate Studies in Music. The annual deadline for receipt of this material is January 1st.

Graduate Assistantships offer students a complete tuition waiver plus a monthly stipend in turn for teaching and/or research assistance in the School of Music. The application is included as part of the

specific School of Music application, completed with the SIU Graduate School application. However, the deadline for primary consideration for a GA is February 15th.

There are several additional types of financial assistance available including PROMPT Fellowships, tuition waivers, Excellence Through Commitment Graduate School Scholarships, etc. Information about cost and financial help can be found at: gradschool.siu.edu/cost-aid.

Additional aid for Master of Music students includes scholarships for string students, given annually by the Southern Illinois Chamber Music Society, and three annual competitions for composition students, the Carl Deis Prize, the Southern Illinois Symphony Orchestra Composition Competition, and the Mykytyn Distinguished Composition Award.

Screening Exams

All incoming students must take screening examinations in Aural Skills, Music Theory, Music History pre-1750, and Music History post-1750. These exams are available for online administration and should be taken as soon as possible after being notified of your acceptance into the program, but before arriving on campus to begin your degree. Students in collaborative piano-vocal accompanying emphasis, opera/musical theater, and performance- vocal emphasis are required to take additional screening examinations in French diction, Italian diction, German diction, and IPA diction. Students in collaborative piano-instrumental accompanying emphasis are strongly encouraged to take the additional screening examinations in diction. These examinations are administered on or before the first day of classes. Incoming students found deficient in certain areas will be assigned remedial coursework- MUS 399 A-K Graduate Music Review in aural skills, music theory, music history, diction, or other pertinent areas. All deficiencies must be corrected by taking the appropriate sections of MUS 399 BEFORE registering for graduate-level courses in those areas, and it is mandatory to take care of all deficiencies during their first year of the MM program. For each assigned section of Graduate Music Review, the minimum grade to fulfill the deficiency is *B* or better, with the exception of Graduate Ear Training which requires a grade of *C* or better.

Master of Music Curriculum

The curriculum for each MM concentration is slightly different, appropriately focusing on specific aspects of training. Current MM students should follow the curricular guides found below for their specific MM concentration. These guides are also found on the School of Music Website. Any deviations from this should be discussed with your major professor, and then proposed to the School of Music Graduate Committee.

Graduate students self-register each semester, on the SIU website: gradschool.siu.edu/registration.

Each student should regularly meet with both their major professor and the Director of Graduate Studies in Music to ensure that they are fulfilling all the curricular responsibilities of their specific concentration.

Note: Only courses at the 400- and 500-level count toward the total hour count to complete the curriculum for the Master of Music degree. At least 18 of the total credit hours must be at the 500 or above level.

Creation of the Graduate Faculty Committee

In the Fall of the second year, each student should formally create their Graduate Faculty Committee. Although the three members of this committee are the student's choice, they must be SIU faculty with

whom the student has had academic contact, and they must agree to serve on this important committee. The student must complete and submit the Graduate Faculty Committee Form, signed by the student's choice for Chair of this committee, to the Director of Graduate Studies.

Master of Music Thesis Requirements

Each of the various concentrations of the MM degree have slightly different thesis requirements, chosen from the following, separately or in combination:

- MUS 599: A major written thesis on a topic proposed to and approved by the School of Music Graduate Committee.
Composers write a major composition under direction of the student's Graduate Faculty committee.
- MUS 598: A graduate recital under approval and direction of the student's recital jury, this may be performing, conducting, or directing.
Collaborative Piano students perform three recitals as per the curriculum above.
- MUS 595: A written research paper under the direction of the student's Graduate Faculty Committee. Performers write extended program notes to accompany their graduate recital; Composers write extended notes to accompany their major composition thesis.

Research Papers and Theses (including compositions) must be submitted (UPLOADED) to the SIU Graduate School on or before their posted deadline. For more information, visit: gradschool.siu.edu/current-students/thesis-dissertation-researchpaper.

Final Comprehensive Examinations

Final examinations are created and administered individually by each student's Graduate Faculty Committee, during the student's final semester, prior to the SIU Graduate School's deadline. The exams are in two parts:

- (1) an extended written exam, essay style; and
- (2) a one hour oral exam with the student's Graduate Faculty Committee.
